SWASTIKA
1972

THE NAME SWASTIKA WAS TAKEN FROM AN ANCIENT NAVAJO IDIOM MEANING: ALL PEOPLE SHOULD LIVE IN HARMONY. THE SYMBOL HAS BEEN THE NAME OF THE NEW MEXICO STATE YEARBOOK SINCE 1907.

PREFACE

Since 1970 the three triangles have been the official symbol of New Mexico State University.

The basis for this symbol is the tri-cultural aspect of our geographical area: Indian, Spanish-Mexican-American, and Anglo.

To date, there is very little at New Mexico State which reveals any but the Anglo culture.

In an effort to serve all three cultures, the *Swastika* is now a tri-lingual book.

We feel that the extra effort required to understand that which is not written in one's native tongue will help to achieve the cultural integration that our symbol has ordained.

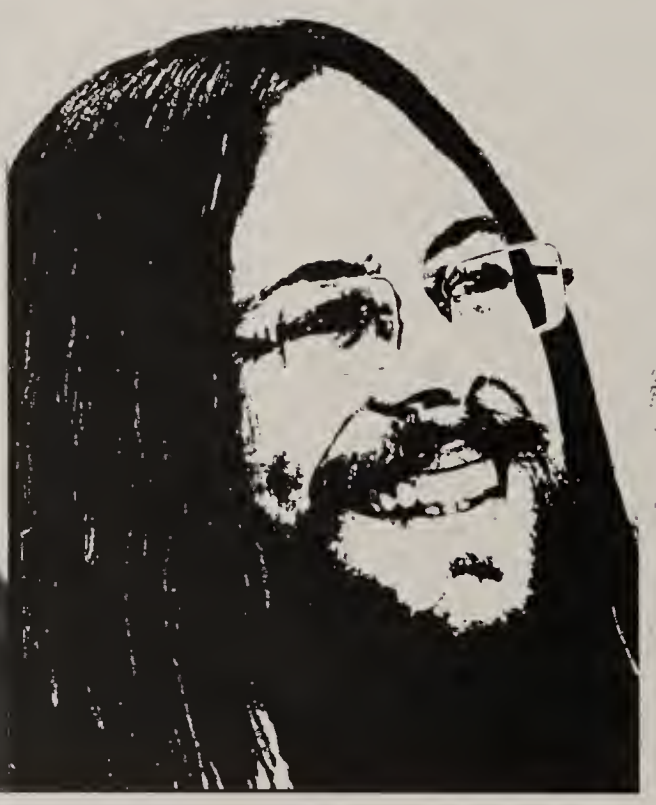
IN ORDER TO FORM A MORE PERFECT UNION



Pasé mi primero ano en escuela fumando y bebiendo, pasé mi segundo año pensando porque iba a escuela. Pasé mi tercero ano buscando a quien era. Esté es mi cuatro año y boy a acabar escuela, pero que lastima. Todavia fumo, bebo, pienso, y busco, pero ahora tengo cuatro años experiencia.

MY SON IS DEAD

My son is dead.
And Today they laid him to rest

He died in the Revolution
The Civil War
and two world wars
justified here perhaps because
he felt he fought for freedom.
In his rebirth, he dreamed of peace and love;
to live in the sun
to feel the earth against his body
to walk among the flowers.

And today, in mourning, his brothers
laid him to the earth once more.

My son is dead
He died in Vietnam
— for nothing.
His friends bow their heads and weep,

and I stand here beside him,
wondering within the aching loneliness of my heart;
For what did he die?

He now returns to the earth from
which he was born.
The grass will grow strong and green,
flowers will blossom from the heart
that once beat strong;
now the only sound is the drum
mourning his passage.

Will the army of death trample
the life above him:
Will the people of cold hearts
and closed minds scorn those who
bring him the symbolic flowers of life?
I hope not.

My son is dead.
He has died hundreds upon thousands of times;
once for every miscarriage of justice
once for every wasted life.
Will he live again?
Please let him live . . .
to grow in wisdom and live for love . . .
to flourish in life as the earth that bore him.
For the sake of mankind, and the people who are
a part of him: Let him live!

My son is dead.
His name was America; I am freedom.

New Mexico Statute 46-10-11 *Drinking in public places. Selling or serving liquor other than in licensed establishments.* It shall be unlawful to drink or consume alcoholic liquor or for any person who is the owner or proprietor to sell, serve, furnish or permit the drinking or consumption of alcoholic liquors in any public dance hall, pool room, bowling alley, street, state or federal building, or in any other public place or any public or private club, key club or coffee house, whether operated for profit or not except establishments having a license to dispense alcoholic liquors. It shall also be unlawful for any licensee to give any kind of "club service" of alcoholic liquors except in unbroken packages outside of the building on the premises at which licensee's business is operated, except to customers seated at tables.

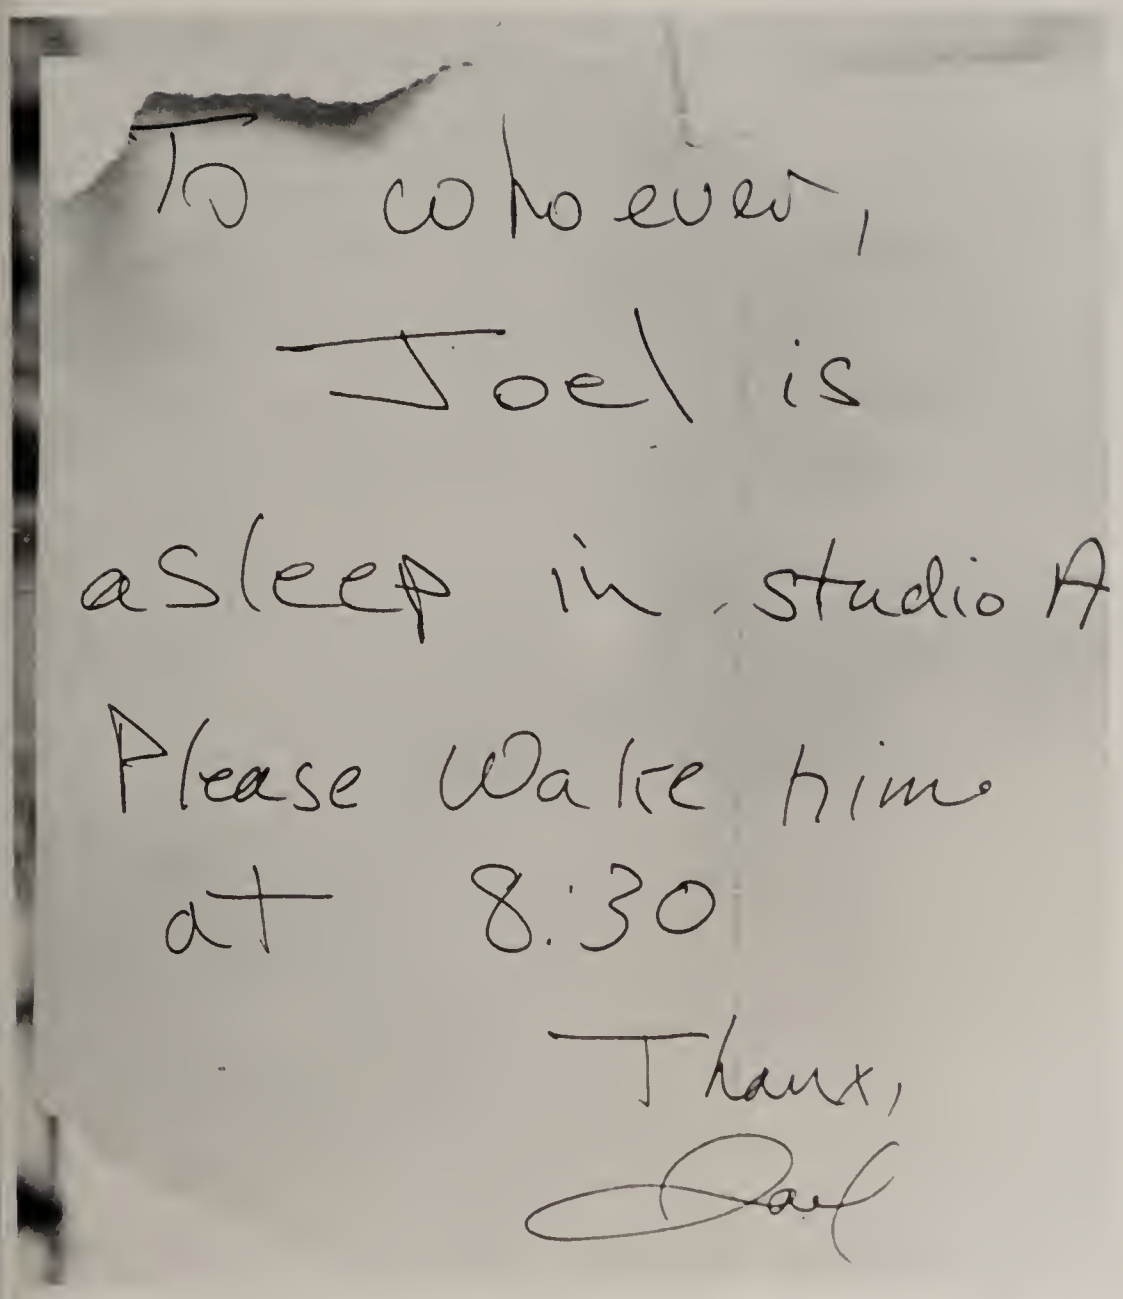
INSURE DOMESTIC TRANQUILLITY



Unos que se creen líderes de La Raza, gritan: Los gringos tienen el mejor trabajo, tienen las mejores casas, y tienen el poder. A ellos quiero decir: No es la verdad. Creo que la educacion es la nueva vida, y acausa de ustedes, los líderes, tenemos que trabajar mas.

"Assuming that space is nothing surrounded by something, can there be nothing without something, or can something exist without nothing? This is relative to the fact that one cannot float in empty space because you cannot empty something which is full of nothing. Emptying a bottle of booze does not give one an empty booze bottle, but it does give one a hell of a hang over."
